A FURTHER 100 QUOTES TO MAKE YOU THINK

*Wow, I never once imagined there would be such a demand for life quotations! This is the third in a series of E-Books containing 100 quotes by **unknown authors**. These have been collected over many months as I add a new quotation daily on my Facebook page. My goal initially was to have 500 and publish one mega book of quotes. I now have a book of 250 Original Quotations and three more totally over 1000 quotes. If you haven't got the first two E-Books of this series, make sure to download them for free from [here](#). Plus you can of course view all other inspirational books on my website too! These quotations will not only give you something to think about, but also hopefully make you 'think out of the box' and see the positive side to life. Some are funny, others more serious, but with each comes a deep seeded message to become a better you.*

I added 5 bonus quotations in the last book, and will simply continue the numbering here...

206. A bar of iron costs \$5, made into horseshoes its worth is \$12, made into needles its worth is \$3500, made into balance springs for watches, its worth is \$300, 000. Your own value is determined also by what you are able to make of yourself.
207. A bump in the road is either an obstacle to be fought, or an opportunity to be enjoyed. It's all up to you.
208. A careful inventory of all your past experiences may disclose the startling fact that everything has happened for the best.
209. A cemetery is the only place where people don't try to keep up with the Joneses.
210. A chicken doesn't stop scratching just because worms are scarce.
211. A cloud does not know why it moves in the direction it does, and at such a speed. It's an impulse... this is the place to go now. But the sky

knows the reason and the patterns behind all clouds, and you will know, too, when you lift yourself high enough to see beyond the horizon.

212. A coward gets scared and quits. A hero gets scared, but still goes on.
213. A crooked stick will have a crooked shadow.
214. A dog that barks much is never a good hunter.
215. A family that plays together, stays together.
216. A fellow who says he has never told a lie has just told one.
217. A flatterer is a man that tells you your opinion and not his own.

231. A lot of people go through life as if they are rowing a boat. They look at where they have been (the PAST) rather than where they are going (the FUTURE).

250. Acceptance of others, their looks, their behaviours, their beliefs, bring you an inner peace and tranquillity - instead of anger and resentment.
251. Acceptance: A flower falls even though we love it. A weed grows even though we don't love it.
